How Did I Do?

Writing genre: Research Report

1. Is your research report interesting to others?
2. Did you locate and use good source materials?
3. Does your research report contain information written in your own words?
4. Did you use enough facts in your research report?
5. Did you support your topic sentences with meaningful facts?
6. How well organized is your report?
7. Do you have a meaningful conclusion?
8. What part of your research report did you like best?
9. Are there any parts of your research report that you would change?
